

WGA Membership - Neighborhood Connector Events Fall 2020

Neighborhood Connector Groups grew out of members' interest in getting to know one another in small, close-to-home settings. Activities depend on the interests and ideas of the members in each area and include periodic gatherings. Although local in focus, any member is welcome and encouraged to attend any Neighborhood Connector event – and to bring a friend! So we can plan appropriately, please RSVP using the links below.

Nassau County – Thursday, October 1, 2020 at 4:00 PM

The Nassau County Connector meeting for fall will be held via Zoom. Grab your favorite late afternoon beverage as we have fun and learn a bit more about the “Smart Girls” program at the two local Boys and Girls Clubs (a new WGA grant). In addition to small breakout groups, we will Zoom to the BGC conference room for a 15-minute panel discussion with the Area Director, Jamie Thompson, and several program participants aged 11–18. And yes, please invite a guest who may be interested in WGA and strategic philanthropy.
