

WGA Membership - Neighborhood Connector Events Spring 2021

Neighborhood Connector Groups grew out of members' interest in getting to know one another in small, close-to-home settings. Activities depend on the interests and ideas of the members in each area and include periodic gatherings. Although local in focus, any member is welcome and encouraged to attend any Neighborhood Connector event – and to bring a friend! So we can plan appropriately, please RSVP using the links below.

San Marco -- Thursday, February 25 at 5:00 PM

Your San Marco Connectors look forward to seeing you virtually at the upcoming Connector meeting. Grab your favorite beverage, join us on Zoom and be sure to invite a friend. A representative from WGA grantee, **Girl Scouts of Gateway Council**, will be joining us virtually at the meeting to talk about their Community Development troops and outreach during the pandemic. You must register for the Connector in order to receive the link to the meeting.
