

Women's Giving Alliance Seeking Letters of Interest for 2018 Grant Cycle

Jacksonville, Florida – December 1, 2017 – The Women's Giving Alliance (WGA) is pleased to announce that it is accepting Letters of Interest for its sixteenth grant cycle from now through January 10, 2018.

WGA, an initiative of The Community Foundation for Northeast Florida, is a collective giving grantmaking organization. Its current focus is on Breaking the Cycle of Female Poverty in Northeast Florida. WGA is accepting applications for funding from tax-exempt 501(c)(3) organizations or units of local government with programs or projects that serve women and/or girls in Northeast Florida (Baker, Clay, Duval, Nassau or St. Johns Counties), with a specific focus on intervention and prevention. The deadline to apply is **Wednesday, January 10th at 5:00 pm EST**.

The grants support organizations whose goals help facilitate systemic change in the lives of women and girls. WGA believes this is done by applying creative, research-based solutions to critical needs and producing measurable, sustainable impact. As WGA President Ellen Wiss says, "Our grantees are innovative partners in our collective and collaborative model for strategic philanthropy. Grantmaking is at the heart of WGA."

Grant requests of all sizes are welcome. The grants are for two years and are paid in installments. WGA members will make scheduled visits during the grant cycle to monitor progress.

A Letter of Interest is the first step in making an application for a 2018-2020 grant. Nonprofit organizations that submit a Letter of Interest may then be asked to complete a Request for Proposal to complete the application process.
